

## Vision Statement

We will nurture our pupils so that they can develop into healthy, caring active individuals who make a positive contribution to society and live fulfilling and contented lives.

Our pupils will.

- Have developed an appetite for learning, developed an enquiring mind with appropriate academic skills and building on the opportunities presented in our school, be well prepared to take the next steps towards becoming a valued citizen in the future
- be taught to embrace the school's caring ethos, values and standards and that with rights comes responsibilities.
- Understand the benefits of a healthy lifestyle, and adopt a positive attitude to physical activity
